

Pictorial Color Catalog of the Lions of Virginia Trading Pins

State Convention Pins

The Lions of Virginia State Conventions are held each year in May and are conducted at a site chosen three years in advance by the delegates at the LOV State Convention. The pins are made available to those who attend the conventions, and any excess pins are then made available on a first-come, first-served basis to other Virginia Lions.

It is important to note that the State Convention pins that were issued by a Lions Club, rather than the District, will henceforth bear dual pin designations (numbers). They will be shown in both this State Convention Section with an “SC” number and in the Club Pin Section (Book 4) under the name of the respective Club with the original pin number.

Another unique feature of this section is that we have included the images of the State Convention pins issued by the Pin Traders Club of Virginia (PTCV) for their Annual Luncheon. These images are shown herein merely for informational purposes and we have NOT changed their pin designations. These PTCV pins will continue to also be shown in the Pin Trading Club Section. As a result of this unique feature, you will be able to view, in one section of the catalog, ALL pins that were issued for a particular convention.
